General Information:

The R 51/3 was built on 04.11.1952 and subsequently delivered to the procurement office of the French military in Speyer and remained there until 1987. In the course of the following years, the exhaust system was renewed and the usual service work was carried out. Of course, you have the option that we fully restore this R 51/3. On the other hand, the engine runs first class and for lovers of vehicles with signs of use, this BMW R 51/3 is a good buy. German vehicle documents are available.
