

Brand:

HONDA

Model:

CL 450

First Registration:

1973

Frame Number:

CL450-60024XX

Mileage:

6.944 km

KW (HP) ccm:

32(43)450ccm

Price:

11.800 EUR VAT not separate identificationable

General Information:

Our original CL 450 comes from the last K6 series. The engine number CL450E-60024XX matches the frame number. Honda primarily sold the Scrambler models on the American market. At that time, assembly took place in the halls of a former aircraft production facility. Our CL 450 still has its original paintwork and is ready to ride. German vehicle documents are available.
