General Information:

The Bellynumbers are correct. This beautiful example was restored by Carl Patrick. Carl Patrick, Ohio has been a member of the Hot Shoe Hall of Fame since 2022. He acquired the Harley in 1962. In 1978, the Cycle Centre in Pennsylvania became the owner. Until 2001, the 1941 Kucklehead was the eye-catcher in the showroom. A collector brought the Knuckelhead to Germany. In April 2024, the ready-to-ride machine received a TÜV inspection and German vehicle documents were issued.
