General Information:

This **VAN VEEN OCR 1000** is not only for connoisseurs a special rarity. The OCR 1000 were produced only two years. After 38 manufactured motorcycles, the production was discontinued in 1978. Our **VAN VEEN OCR** is one of the first machines ever produced. The OCR 1000 is in an original condition and has a complete history. This OCR was then on various exhibitions and is one of the first 5 OCR 1000. A specialist has performed an inspection and we can not only promise a rare **VAN VEEN** in original condition. The technique is also in a very good condition.
