General Information:

Neckermann Versand KGaA was one of the best-known mail order companies in Germany. In the 1970s, the mail order company was also involved in the sale of motorised two-wheelers. Our Garelli of the Rekord-Nürburg type has a general German operating licence, which was issued to Neckermann Versand KGaA. A beautiful collectors item with low mileage or a rare moped which, with new tyres and professional servicing, should also give a lot of pleasure.
