General Information:

The GPZ 900 R is one of the last versions because the four-cylinder is fitted with a 17-inch front wheel. French vehicle documents are available.

Registration in Germany or other countries should be possible without any problems. The GPZ 900 R was presented in 1984 and was well received even then. It was presented at Laguna Seca in the centre of the world press at the time. We can offer our 900 R in a very well-maintained condition. The tyres are as good as new.
