## General Information:

In 1979, Kawasaki wanted to show everyone where -Barthel got his juice from-, and to do so, they needed 6 cylinders and 1,286 cc. Our Z 1300 is in beautiful visual and technical condition. We enjoyed the Z1300 with an extensive test drive. German vehicle documents are available. To explain who Barthel is in Germany: he is someone who wants to show everyone what he can do.
