General Information:

Mondial was founded in 1936. As its modern production facilities were destroyed by German stormtroopers, Mondial relocated to Milan in 1945. Mondial made a name for itself through numerous successes in motor racing. Mondial has been producing series vehicles since 1950. Our 160 cc Sport Lusso is in very good, restored condition. In addition to the Sport Lusso, the Turismo was also offered. The two-stroke engine was considered very economical, as fuel consumption was slightly above 2 litres per 100 km. The engine and frame numbers are identical.
