35 (48) 1338ccm

Price:

9.800 EUR VAT not separate identificationable

General Information:

This well-maintained, second-hand Harley-Davidson FXDWG Wide Glide is in excellent condition, both visually and technically. This Harley was first delivered in Germany and comes with its original registration document.

The mileage is fully traceable, including reports from general inspections. In addition, numerous invoices, receipts, and documents from previous use are available.

Extensive visual modifications were carried out on the Harley. These include a wider, chrome-plated triple tree with fork tubes of increased diameter, as well as the installation of a wider wheel rim. In addition, a larger fuel tank and a modified rear section were fitted. Furthermore, a forward-mounted footrest system was installed.

Our offer also includes a windshield and the original operating instructions for this model.
