General Information:

Yes, it is an excellent collectors item and, in addition, we can offer this 680 in running condition with German registration documents. First of all, the Brough is fully documented. Furthermore, all numbers on the gearbox, engine, frame and tank correspond to the works record card. Also worth mentioning are the awards it has won at various events and its appearance in Peter Millers book, Brough Superior: The Complete Story. Original vehicle documents from England and a current vehicle registration document from Germany are available.
