43X

Mileage:

11.417 km

KW (HP) ccm:

74(100)1.200 ccm

Price:

108.800 EUR VAT not separate identificationable

General Information:

This Münch is one of the original Münch TTS-Es. It is one of the few machines that were built and delivered with a Kugelfischer injection system. Apart from the paintwork, the Münch has been preserved in its original condition. The rare Frankfurt pots are also still in good condition. The Kugelfischer injection system was checked and our specialist confirmed that the injection system is in good condition. The engine runs extremely well.
